CITY OF YORKTON

News for the week of June 1 to June 7, 2011

Yorkton
Where good things happen.

NEXT COUNCIL MEETING JUNE 14, 2011 5:00 P.M.

PUBLIC NOTICE

Proposed Bylaw No. 22/2011

The Council of the City of Yorkton, pursuant to Section 207 of The Planning and Development Act, 2007, hereby gives notice of its intention to pass Bylaw No. 22/2011, which is an amendment to City of Yorkton Municipal Development Plan Bylaw No. 15/2003 to remove the development phasing designation of LSD 16 in the Northeast Quarter of Section 36, Township 25, Range 4, West of the 2nd Meridian (LSD 16, NE 36-25-4-W2) from Schedule 'C' – Future Residential, Commercial, Industrial and Parks and Recreation Map.

The purpose of the proposed bylaw is to allow for commercial development on the subject property in the short-to-medium term future. Should Bylaw No. 22/2011 be approved, the property will remain with an Environmentally Sensitive overlay, so that the City can ensure protection of the nearby shallow aquifer.

The proposed Municipal Development Plan amendment may be inspected in the office of the Planning and Engineering Department, City Hall by any person without payment of any fees between the hours of 9:00 a.m. and 4:00 p.m., all holidays excepted and up until **12:00 noon on Friday, June 10, 2011**.

To view Bylaw No. 22/2011, visit our website at www.yorkton.ca

Any person may make oral or written representation to City Council at its meeting on **Monday, June 13, 2011** in the City Hall Council Chambers, Yorkton, Saskatchewan at 5:00 p.m. **All submissions must be submitted in writing by 12:00 noon on Thursday, June 9, 2011** to Bonnie Schenher, City Clerk. Oral or written submissions will be considered when the Public Hearing, in respect to this application, is in session.

Proposed Discretionary Use for 83 Good Spirit Crescent

The Council of the City of Yorkton, pursuant to Section 207 of *The Planning and Development Act, 2007* hereby gives notice of its intention to allow for a Semi-Detached Dwelling (side-by-side, two-unit dwelling) on Lot 22, Block 1, Plan No. 00Y10405, civically known as 83 Good Spirit Crescent. The subject property is zoned R-3 Medium Density Residential in Zoning Bylaw No. 14/2003 and the use of a Semi-Detached Dwelling is listed as Discretionary. As such, public notification is required before Council reviews the application and makes its decision.

The proposed Discretionary Use application may be inspected in the office of the Planning and Engineering Department, City Hall by any person without payment of any fees between the hours of 8:00 a.m. to 12:00 pm and 1:00 p.m. to 4:00 p.m., all holidays excepted and up **until 12:00 noon Friday, June 10, 2011.**

To view the map, visit our website at www.yorkton.ca

Any person may make oral or written representation to City Council at its meeting to be held on **Monday, June 13, 2011** in the City Hall Council Chambers, Yorkton, Saskatchewan at 5:00 p.m. **All submissions must be submitted in writing by 12:00 noon Thursday, June 9, 2011** to Bonnie Schenher, City Clerk. Oral or written submissions will be considered when the Public Hearing, in respect to this application, is in session.

DEMOLITION CONTACT INFORMATION

The City of Yorkton is requesting business contact information from licensed, bonded demolition companies that would be interested in participating in an ongoing Faxed tendering process for 2011.

This will involve the removal of individual and/or multiple derelict, abandoned and/or structures that are not feasible to repair within the City of Yorkton.

Once we have received a list of companies interested in participating in this tendering process, we will use the following procedure to award the tender as they become available.

1. We will provide the demolition company with a detailed form describing the property and the requirements of the specific demolition.
2. Interested Parties would then be required to return the completed form faxed to you within a specified time period. The process will involve an information form describing the property(s) and the demolition requirements. Interested parties will then return the form by Fax with all applicable question fields fully completed within the allotted time. All questions **must be answered** to ensure that the tender is not rejected.
3. The project(s) would then be awarded to the lowest qualified tender that can complete the project within the timelines and specifications as outlined in that specific demolition project.

If this process is of interest to you, please provide your contact information to:

Attention: Jeff Fawcett, Building Official
Building Department
2nd Floor – 37 Third Avenue North
Yorkton, Saskatchewan
S3N 2W3

Please call Jeff Fawcett at 786-1786 if you have any questions.

INFORMATIONAL OPEN HOUSE FOR THE LOGAN GREEN WATER REUSE PROJECT

The City of Yorkton invites residents to attend an informational come-and-go **Open House on Tuesday, June 7th**, regarding a project proposed for the area known as Logan Green.

Logan Green Water Reuse Project – Open House
Date: Tuesday June 7th
Time: 4:00 pm - 7:00 pm
Location: Gallagher Centre "Ravine Room", Yorkton, SK

Representatives from the City's Environmental Services Department, Assiniboine Watershed Stewardship Association, Associated Engineering and Crosby Hanna and Associates will be available to discuss any questions or concerns from residents about this project. This project involves innovative use of backwash water generated from the Queen Street Water Treatment Plant while preserving the natural landscape of this area.

Any person who cannot attend the Open House may contact the Environmental Services Department at 828-2470 for further information.

REQUEST FOR TENDERS

Sealed tenders clearly marked **"2011 AIRPORT LIGHTING PROGRAM"** will be received at the office of the Planning and Engineering Department at City of Yorkton, Box 400, 37 Third Avenue, Yorkton, SK, S3N 2W3 until **10:00 a.m., C.S.T., on Thursday, June 2, 2011**. Bids received after the specified date and time will be returned to the bidder unopened.

The work involves installation of approximately 14000 ft of Lighting Cable and associated appurtenance.

The contract documents will be available for pickup by interested General Contractors at the office of Planning and Engineering Department on or after Wednesday, May 25, 2011 upon deposit of $100.00 per set, GST included.

All interested contractors are requested for technical inquires to contact Moshiur Rahman, City Engineer at 306-786-1733 or email to mrahman@yorkton.ca

---

Tenders are invited from General Contractors for the Construction of Dracup Avenue Storm System Upgrades for the City of Yorkton. Sealed Tenders clearly marked **"Dracup Avenue Storm System Upgrades"** will be received at the office of the Consulting Engineer up to 2:00 p.m., C.S.T., Thursday, June 16th, 2011 and will be opened immediately thereafter.

The work includes:

1. Construction of a storm water retention pond and drainage channel including approximately 50,000 cu.m. of common excavation;
2. Installation of approx. 175 lin.m. of 1,200 mm dia. concrete culvert and approximately 100 lin.m. of 600 mm diameter CSP culvert;
3. Roadway construction including widening of existing roadway and construction of new access roads, consisting of imported fill, granular subbase and traffic gravel;
4. Miscellaneous landscaping, including top soil replacement, erosion control and seeding;
5. Provision of roads for ingress and egress to the location of all work required;
6. Clean up of site;
7. Repair of defects for one year after completion of the work.

General Contractors may obtain Contract Documents from the Office of the Consulting Engineers for a deposit of One Hundred and Fifty ($150.00) Dollars, which will be refunded provided that the Contract Documents are returned in good condition within 10 days of closing of Tenders.

Each Tender must be on the forms provided and be accompanied by a certified cheque or bid bond in the amount of Ten Percent (10%) of the Tendered Amount.

The Owner reserves the right to reject any or all tenders and will not necessarily accept the lowest tender.

2011 WATER MAIN FLUSHING PROGRAM

The Public Works Department will begin a water main flushing program on **Sunday, June 5, 2011 at 8:00 p.m.** Flushing is required to remove the rust and sediment that has accumulated in the water mains. City crews will be flushing the mains from approximately **8:00 p.m. through to 6:00 a.m. until completed.** Flushing will begin on the **West Side of the Cit**y on the first evening and move towards the **East Side of the City** thereafter.

During flushing, the water will contain a considerable amount of rust and sediment, and may be discolored for several hours. The system pressure will fluctuate during the flushing period. Both the sediment and the low pressure can cause problems in the operation of plumbing fixtures, especially air conditioning, refrigeration equipment, and water softeners. Doing laundry is not recommended, as the discolored water will stain clothing. For this reason, it is advisable not to use water if it is discolored unless it is absolutely necessary to do so.

Residents who live in the areas being flushed should collect containers of water beforehand for drinking and cooking, before the flushing program starts. Residents should use as little water as possible, and should avoid drawing water into their homes. It's best not to use your washing machine or dishwasher until the water color returns to normal.

If further information is required, please contact the Public Works Department at 786-1760 between 7:00 a.m. and 4:00 p.m., Monday through Friday.

YORKTON KIDSPORT

On Friday June 3, 2011, between 11:00 a.m. and 2:00 p.m.
KidSport will be having a BBQ at the Yorkton Credit Union.
Be sure to stop by for a hotdog and drink!
All proceeds will be going to Yorkton KidSport.
A big thank-you to Harvest Meats, Yorkton Co-op Food Centre and Cornerstone Credit Union for sponsoring the event!
So All Kids Can Play!

KidSport is always looking for new volunteers!
If you are interested in becoming a volunteer,
please contact Stephanie at 828-2401.
