

## NEXT COUNCIL MEETING NOVEMBER 1, 2010 5:00 P.M.

### NOTICE TO PUBLIC

#### Residential Recycling Bins System Change

Several of the smaller residential community recycling bins have been removed and replaced by larger multi-section recycling bins.

These Residential Recycling Bins are currently located at:  
**Parkland Mall - North Parking Lot**  
**Petro Canada - West Broadway**  
**Prairie Harvest Church - Melrose Ave**  
**SARCAN Parking Lot - Ball Road**  
**Co-op Food Centre Parking Lot**

Residential Recyclable Items Accepted:  
**Cardboard, paper, household plastics, tin, and milk containers**

For further information contact The Saskatchewan Abilities Council at 782-2463.

#### Curbside Recycling Service Changes

To help serve you more efficiently, we are switching to a clear bag recycling system. Please note:

- **The bag may be tinted but must be transparent (blue is most common).**
- Black, orange or white garbage bags **will not** be picked up.
- Please purchase additional bags at the retail store of your choice (ie. Walmart, Superstore, Zellers, etc.) The bags are located next to standard garbage bags.
- If you currently have a blue bin, you may keep it for use in your home.
- **As of November 1st, 2010 we will no longer be picking up blue bins.**

#### WHY are we switching to clear blue bags?

- To help reduce garbage around the city from tipped-over bins.
  - To prevent interruption of service because of a missing bag/bin.
  - To avoid the frustration of getting the wrong bin back.
  - To allow each household flexibility and more recycling volume by being able to purchase the size of bag that best suits your family's needs.
  - To cut down man-hours so that we can service more of the city.
- As part of our ongoing recycling strategy, we will be recycling all blue bags after they are emptied.*

For more information, please contact Prairie Harvest Employment Program at 786-1840. We look forward to your continued support and participation in this program!

#### Flood of 2010 Assessment and Taxation Policy

The City of Yorkton has implemented an **Assessment & Taxation Policy** to provide for assessment/taxation adjustments with respect to damages and/or destruction resulting from the flood event of July 1, 2010.

Main Categories of the policy consist of the following:

- Buildings requiring demolition
- Uninhabitable buildings due to structural concerns and/or major renovations (residential)
- Finished basement renovations (residential) **\*\*\*Please Note: Typically the finished basement value is less than 5% of the total assessed value which will result in a minimal tax adjustment.**
- Basement – structural damages (residential)
- Commercial/Industrial/Institutional

For further information or to make application for any assessment/taxation adjustments, please call 306-786-1736 or 306-786-1714. To view the entire policy and/or access the application forms, please visit the City of Yorkton website at [www.yorkton.ca](http://www.yorkton.ca).

#### On-Line Property Tax Payments

Effective immediately, Yorkton Property Tax payments made on-line through your financial institution will require the account number to be the exact account number as shown on the Tax Notice. Previously, financial institutions required the use of 10 to 12 digits, however all financial institutions have now been standardized to use 10 digits (ie. the 10 digits shown on the Tax Notice).

## KIDSPORT IS RECRUITING

The Yorkton Chapter of KidSport™ SK, is looking for volunteers to sit on our Chapter Committee. We require enthusiastic individuals who are looking to make a positive impact on the community. KidSport™ is a Children's Charity dedicated to assisting children of families facing financial obstacles so they can participate in community sport programs. The KidSport™ goal is to provide these children with the opportunity to learn the fundamentals of teamwork, dedication and responsibility through participation in sport.

KidSport™ committee members help identify needs within the community while encouraging families to apply for support. Members also fundraise allocation funds for the committee to hand out to deserving youth, and they promote the KidSport™ program within the community.

If you are interested in making a difference in a young person's life, please submit a statement of interest outlining your skills and relevant experience to: [cpersick@yorkton.ca](mailto:cpersick@yorkton.ca). Successful candidates will also be required to attain a criminal record check.

**So ALL Kids Can Play!**

For more information call Christy at 306-828-2401.

## VISION 2026 ZERO WASTE VOLUNTEER OPPORTUNITY AVAILABLE

The City of Yorkton is seeking individuals to fulfill volunteer positions on the Solid Waste Management Committee. To qualify for membership on this City Council appointed Committee, one must meet the following requirements:

1. Canadian citizen;
2. Full age of eighteen (18) years;
3. Resided in the municipality, or on land now in the municipality, for at least three (3) months; or
4. Is the owner of assessable land situated in the municipality, or of land now situated in the municipality, for at least three (3) months; and
5. Has resided in Saskatchewan for at least six (6) months.

The Committee consists of volunteers that meet monthly to discuss the solid waste and recycling needs, requirements and concerns of the residents of Yorkton and make recommendations to Council that will enable the City of Yorkton to achieve a Zero solid waste discharge to the landfill by 2026. As a member of this Committee, one should possess the following:

- Committee experience, past or present
- Broad community interest
- Interest in solid waste management and recycling practices
- Background or knowledge in the development of business plans
- Public speaking and presentation skills
- Ability to work in a team environment
- Willingness to volunteer and advocate

If you are interested in pursuing this challenging role while participating on a Committee that promotes environmentally friendly practices in our community, please submit your letter of application to:
